## PRICES REACH HIGHER LEVEL

### Men Behind the Stock Market Continue Operations on the Bull Side.

#### MOVEMENT BROADENS OUT STATEMENT BY HARRIMAN HELPS THE BOOMERS.

New York, May 16.—Operations to advance prices of stocks or to protect prices against operations calculated to depress them were aggressively resumed today, and as the result the average price level touched the highest thus far reached on the movement. The movement was broad and animated, and the general strength of tone was not materially affected by the large realization of profits which was accomplished by shifting the buying from one to another quarter of the list for sustaining effect. The strongest and most active stock was Union Pacific, and the demonstrative rise in this stock was the immediate outcome of published utterances by the head of the system containing very positive opinions on the prospective outlook for business.

The chairman of the Great Northern road was credited also with cheerful expressions regarding more especially the immediate outcome of published utterances by the head of the system containing very positive opinions on the prospective outlook for business.

### What Is Temperance?

"Moderate indulgence of the appetite," is a good, plain definition. "The use of common sense in eating and drinking," is one as fully to the point. Temperance means moderation. The word applies to eating, as well as to drinking. Only a lack of discrimination in either brings harmful results. A mild food beverage like

E. D. GARRATT. Read the testimony of E. D. Garratt, a prominent business man, who lives at 1222 Arnold St., Los Angeles, Cal.

Mr. Garratt says: "I have been a great sufferer from catarrh and rheumatism. My nose would stop up until I could hardly breathe, and there was a continuous dripping in my throat, with roaring in my ears until I was so dizzy that I could hardly stand on my feet. I also had to hawk and spit to clear my throat, and suffered from a general debility that brought on a severe attack of rheumatism, which almost laid me up at times. I tried many doctors and all sorts of patent medicines, but got no permanent relief until I consulted Drs. Shores & Shores. Their treatment was wonderful, and I am entirely cured, not only of my catarrh, but my dizziness and rheumatism is all gone, and I cheerfully recommend Drs. Shores & Shores' treatment. (Signed) "E. D. GARRATT."
